IN MEMORY OF

GALEN JAMES

Galen is with us in the twilight
When the evening shadows fall,
He is with us in the morning
When the daybreak comes to call.

Galen is with us in the noonday
When the skies are bright and clear,
He is with us when the darkness
of the storm clouds hover near.

Let us never fail to forget him,
Galen is with us every day.

The more faith you have,
The more you believe,
The more goals you set
The more you'll achieve.

So reach for the stars,
Pick a mountain to climb
Dare to think big,
But give yourself time.

Remember no matter
How futile things seem,
With faith, there is
no impossible dream.
